

LUMINA

Luxury Full Body Skin Science: Tanning & Toning Formula

Delays the aging process – Promotes Collagen Production – Plus Powerful Color Enhancing Pigments
Professional Formula

mr
INTELLIGENT TANNING

QUICK FACTS:

- Superior amounts of DHA, Natural and Cosmetic Bronzers
- Provides unmatched anti-aging benefits
- Melanin stimulators that will create darker, longer lasting tanning results
- Skin Softening and Hydrating Formula
- Ultra-slimming technology
- Helps produce collagen
- Toning and firming agents
- Enchanted Daydream Fragrance

PRODUCT DETAILS:

- High amounts of DHA, Natural & Cosmetic Bronzers for immediate and natural bronzed results
- Formulated with natural moisturizing and skin softening properties for longer lasting, touchly soft results
- Resveratrol - A potent antioxidant that fights free radical damage caused by environmental stressors while increasing collagen production and smoothing out fine lines
- MelanoBronze – Stimulates the production of melanin to produce more natural bronzed results
- Forslean – A plant derived compound that helps to break down fat deposits
- Regu-Sense – Works to reduce collagen loss to delay the natural aging process in the skin
- Flavoslim – Counteracts the signs of cellulite by improving skin elasticity, while also tightening toning and firming
- Black Walnut Extract – A natural darkening extract that also works to fight skins imperfections
- Natural Oils & Extracts – high in antioxidant that fights wrinkles and smooth fine lines while working to make your skin appear more supple

KEY SELLING STATEMENT:

Formulated only for the most discerning clientele, Lumina is the Luxury lotion you have been waiting for! This skincare tanning product pampers the skin with a unique mechanism that helps to delay the natural aging process while reducing collagen loss and enhances color production. While elite award winning fat dissolving agents tighten and tone for the professional results you deserve! Indulgent levels of Natural and DHA black bronzers pamper the skin in sought after color only available to the elite users of Lumina. Who said you can't have it all? With Lumina you don't have to sacrifice color for content, or skincare for substance. Some will lust after Lumina, and some will be privileged with the product. Which will you be?
