

# iFACE PLUS

Color Correcting Facial Tan Enhancer

Formulated with Niacinimide™ a Highly Advanced Skin Tone Brightener

Collagen Producing & Nutrient Rich for Airbrush Finish Results

**mr**  
INTELLIGENT TANNING

## QUICK FACTS:

- Color Correcting Facial Formula
- Anti-aging and firming
- Melanin stimulators that will create darker, longer lasting tanning results
- Formulated for delicate facial skin
- Antioxidant Rich Acai Berry
- Collagen boosting Resveratrol
- Vitamin E
- Fresh & Clean Fragrance

## PRODUCT DETAILS:

- Skin softening formula designed to hydrate and tan delicate facial skin
- CC Cream – Color Corrector that works to even out skin tone and mask small imperfections
- MelanoBronze – Stimulates the production of melanin for more natural results
- Advanced Matrixyl Synthe 6 – targets and helps to fill in fine lines and wrinkles
- Acai Extract – Rich in antioxidants, acai works to fight against free radical damage and anti-aging of the skin. Acai is rich in omega fats that help the skin have a more youthful appearance while maintaining moisture
- Resveratrol – A potent antioxidant that fights free radical damage caused by environmental stressors while increasing collagen production and smoothing out fine lines
- Niacinimide – Contains high levels of B3 to improve skin elasticity, fight breakouts, even out skin tones and enhance skin's natural barrier to lock in moisture
- Kollaren – The perfect tool to fight against the aging process while reducing the appearance of saggy skin and smooths out wrinkles
- Vitamin E – deep moisturizing properties as well as helps to reduce the appearance of scars

## KEY SELLING STATEMENT:

If you are ready to put your best face forward then you need iFace PLUS! This multiuse formula was created to enhance your facial tanning results while also lifting, toning and promoting collagen production. This Mattifying color correcting serum is designed to provide the skin with the vitamins and nutrients for the health and wellness of your delicate facial skin. While also reducing discoloration, and brightening skins tone. If what you desire is flawless, airbrushed results... Face it, it doesn't get better than iFace Plus!
